Beautifully crafted, self-contained accommodation designed to enhance your lifestyle and add lasting value to your property.

### Elegant, Independent Living in Oak

Oak framed ancillary accommodation - whether a granny annexe, guest cottage or holiday let - offers a flexible, future proof solution for modern living. These timeless buildings provide independence, comfort and privacy, all while keeping loved ones close.

### Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

## Oak-Framed Summerhouses

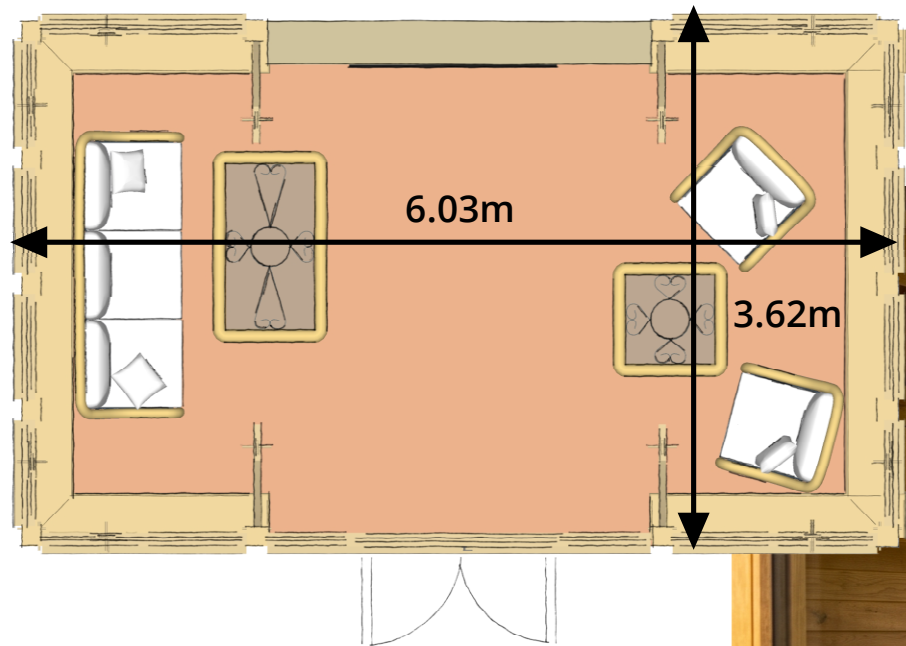

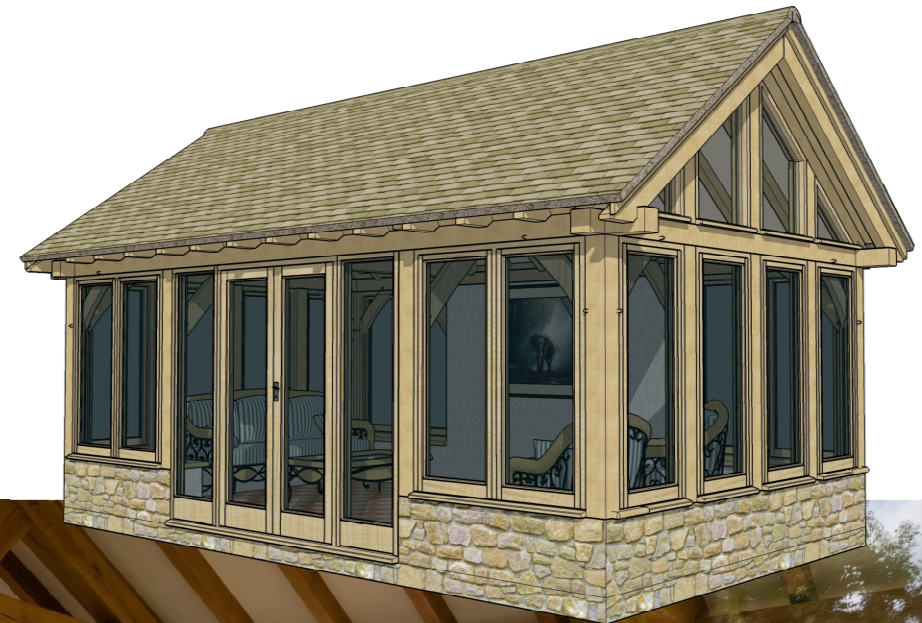

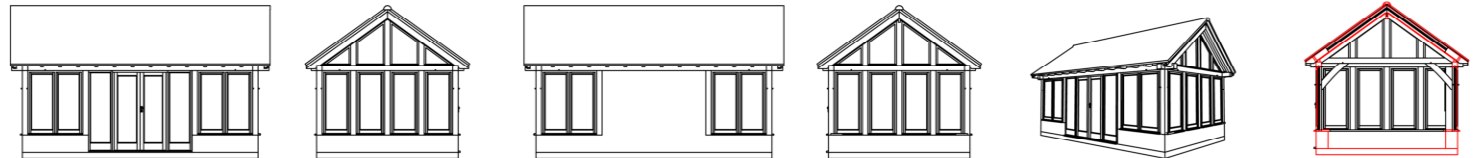

An oak-framed summerhouse is more than an outdoor building - it's a beautifully crafted retreat designed to elevate your garden and enrich everyday life.

Built from premium structural oak using traditional mortice-and-tenon techniques, these spaces offer exceptional strength, character and longevity.

As multi-generational living becomes increasingly popular, self-contained accommodation provides the ideal balance between independence and togetherness.

### Designed Around Your Lifestyle

Every family is different, which is why each of our oak framed annexes is individually designed to suit your needs.
