Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

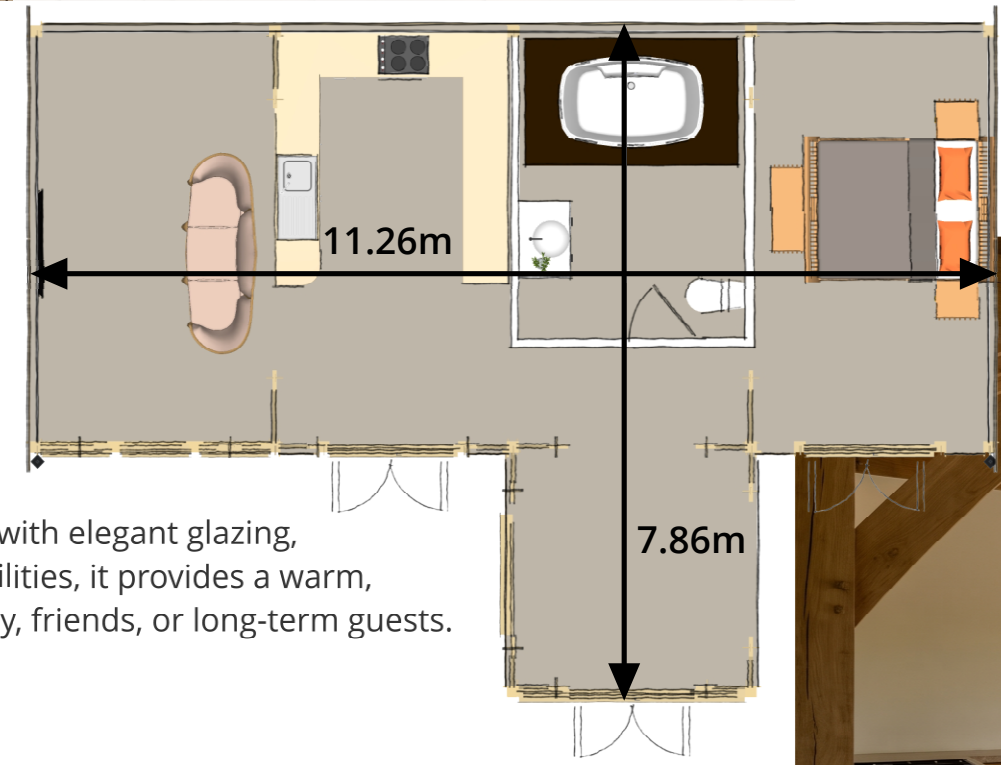

Oak-Framed Guest Annexes

A beautifully crafted, self-contained living space designed for comfort, privacy and year-round enjoyment.

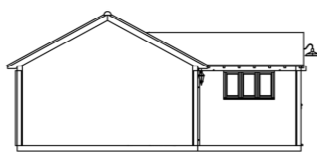

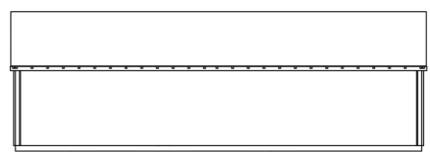

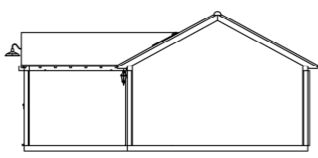

An oak-framed guest annexe is a premium standalone building that blends traditional craftsmanship with modern convenience.

Built from substantial structural oak and finished with elegant glazing, high-performance insulation, and optional full facilities, it provides a warm, character-rich environment ideal for hosting family, friends, or long-term guests.

Designed Around Your Lifestyle

Every family is different, which is why each of our oak framed annexes is individually designed to suit your needs.
