

Oak Framed Annexes, Chalets & Garden Cottages

Beautifully crafted, self-contained accommodation designed to enhance your lifestyle and add lasting value to your property.

Elegant, Independent Living in Oak

Oak framed ancillary accommodation - whether a granny annexe, guest cottage or holiday let - offers a flexible, future proof solution for modern living. These timeless buildings provide independence, comfort and privacy, all while keeping loved ones close.

Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

Retirement & Downsizing

Create a beautiful, low-maintenance home that offers all the comforts of modern living within a manageable footprint.

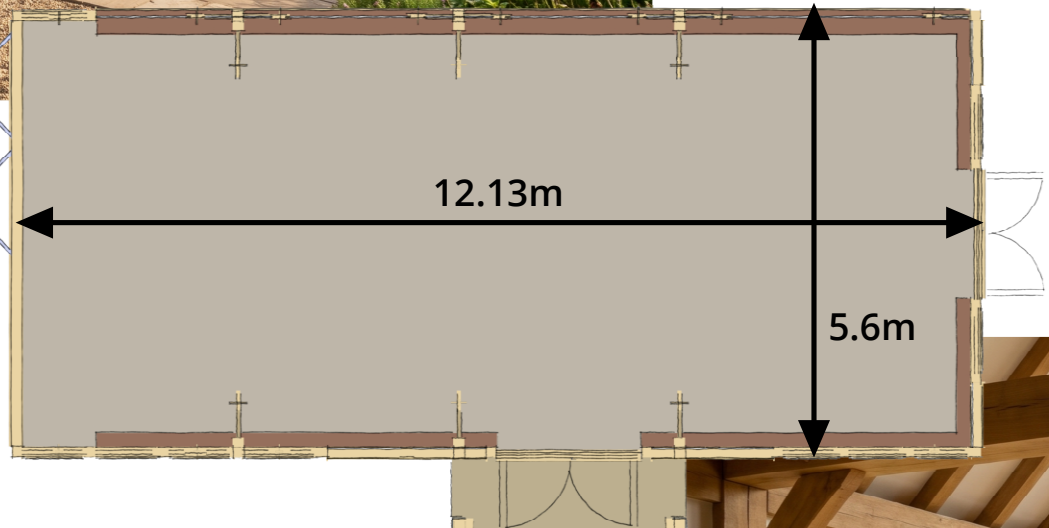

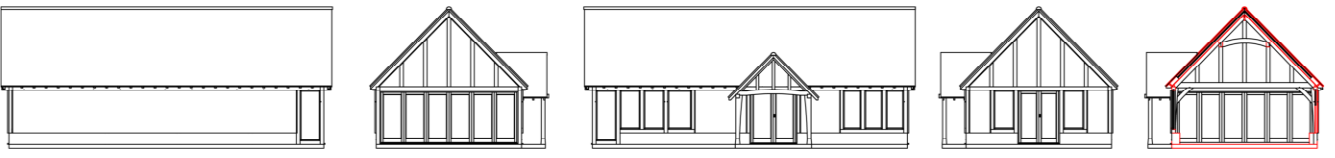

Garden cottages provide an ideal retirement solution without leaving familiar surroundings.

Beautiful, self-contained living spaces crafted from natural oak - perfect for guests, family, and flexible modern living.

An oak-framed garden cottage is a premium standalone building designed to provide comfortable, independent accommodation within your garden. Built from substantial structural oak and finished with elegant glazing, high-performance insulation, and optional full facilities, it offers a warm, characterful environment suitable for year-round use.

Sustainable by Design

With eco-friendly insulation, energy-efficient glazing and the natural longevity of oak, the annexe is built to last for generations. Its small footprint and sustainable materials make it a thoughtful addition to any garden.
