

The Oldershaw

Oak Framed Annexes, Chalets & Garden Cottages

Beautifully crafted, self-contained accommodation designed to enhance your lifestyle and add lasting value to your property.

Elegant, Independent Living in Oak

Oak framed ancillary accommodation - whether a granny annexe, guest cottage or holiday let - offers a flexible, future proof solution for modern living. These timeless buildings provide independence, comfort and privacy, all while keeping loved ones close.

Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

Work, Create & Succeed

Working from home has become a permanent part of modern life, making the need for a dedicated, inspiring workspace more important than ever.

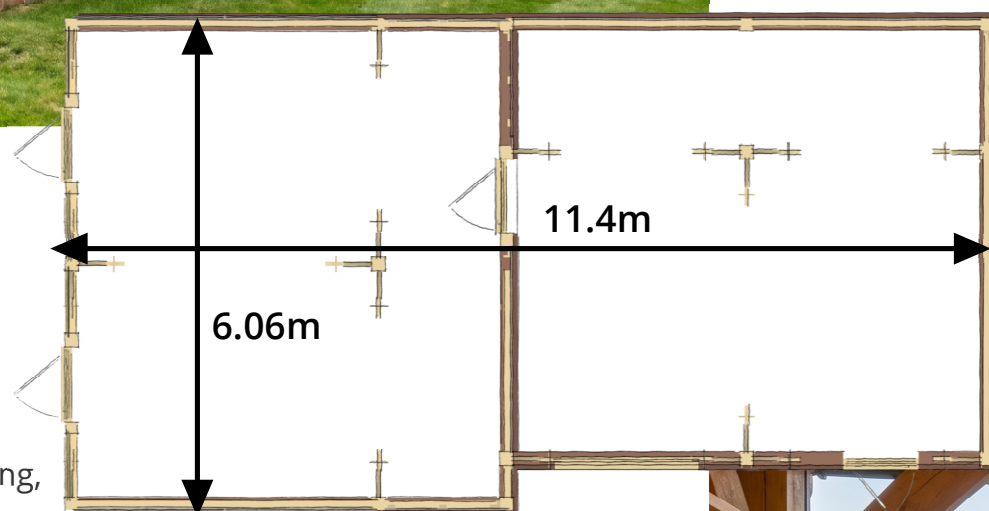

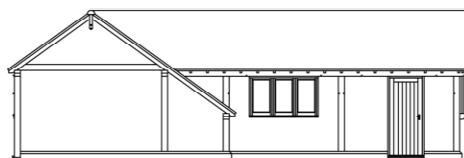

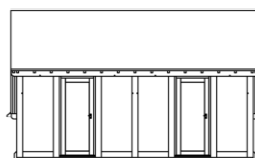

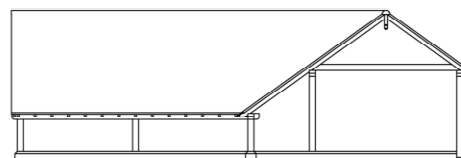

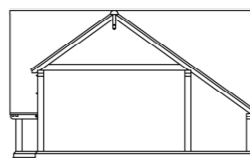

An oak framed home office offers the perfect balance between professional productivity and personal wellbeing, providing a peaceful retreat just moments from your home.

Designed to separate work from family life, our bespoke garden offices create an environment where you can focus, meet clients, collaborate online and enjoy the comfort of a purpose-built workspace without the distractions of the main house.

Crafted from beautifully seasoned green oak and combining traditional craftsmanship with modern building technology, every office is designed to provide exceptional comfort throughout the year.

Work in Natural Surroundings

Imagine beginning each day by walking through your garden to a beautifully crafted oak building filled with natural light.
