Oak Framed Annexes, Chalets & Garden Cottages

Beautifully crafted, self-contained accommodation designed to enhance your lifestyle and add lasting value to your property.

Elegant, Independent Living in Oak

Oak framed ancillary accommodation - whether a granny annexe, guest cottage or holiday let - offers a flexible, future proof solution for modern living. These timeless buildings provide independence, comfort and privacy, all while keeping loved ones close.

Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

Accommodation for Elderly Relatives

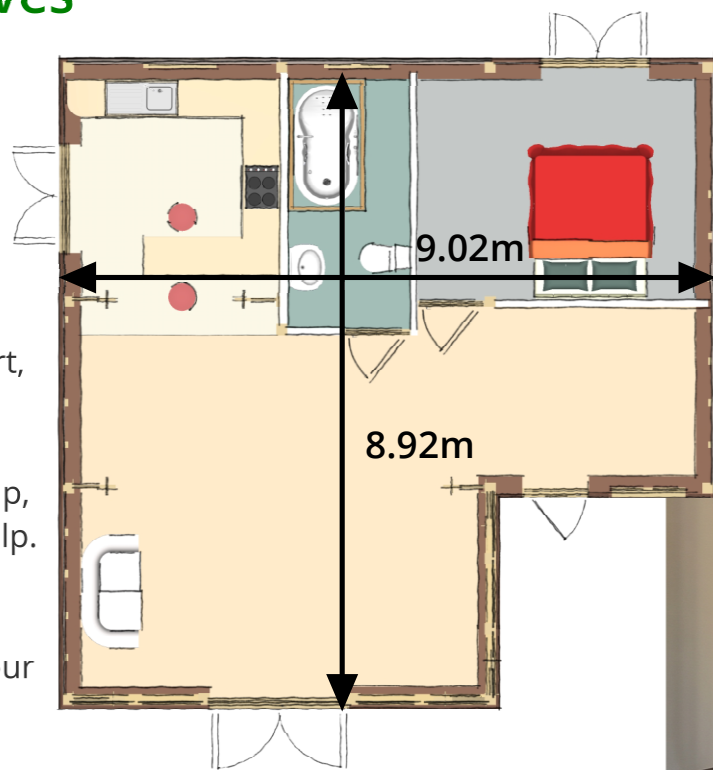

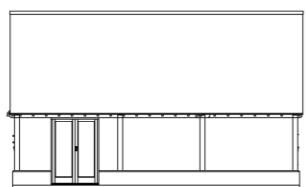

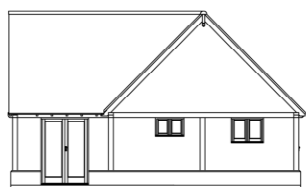

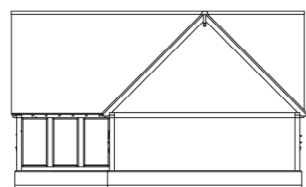

Provide your loved ones with a safe, comfortable and independent home while keeping family close at hand.

An oak framed annexe offers a practical alternative to residential care, helping families remain connected while adding lasting value to your property.

Multi-generational households benefit from shared support, reduced living costs and the reassurance of family nearby.

Young adults gain a stepping stone toward home ownership, while older relatives enjoy companionship and practical help.

For occasional visitors, a private guest space is invaluable. Holiday lets can also generate excellent income, making your investment work for you.
