Designed Around Your Lifestyle

Our single storey annexes and two storey garden cottages are crafted from our signature oak framing, with exposed beams, trusses and purlins creating instant character. Features such as dormer windows, French doors and full height glazing bring natural light and a sense of connection to the outdoors.

Beautifully handcrafted and built to endure, our oak framed shooting and fishing lodges provide the perfect base for country pursuits.

Combining traditional oak craftsmanship with modern comfort, each lodge is individually designed to complement its surroundings while providing practical, welcoming accommodation for guests, family and sporting parties.

Whether positioned beside a tranquil lake, overlooking rolling farmland or nestled within woodland, an oak lodge becomes a natural extension of the landscape, offering warmth, character and exceptional functionality throughout the seasons.

From early morning breakfasts before the first drive to relaxed evenings recalling the day's successes, our lodges create memorable spaces where friends, family and guests can gather in complete comfort.
